Welcome to our Annual Report 2021-22. The report embodies activities of ROVA FOUNDATION from July 2021 to June 2022. The present Annual Report discusses the major activities of the year and will provide a comprehensive view of its previous performance and impacts in the local community.

ROVA FOUNDATION has undergone a significant and eventful year, which is very remarkable from various points of view. ROVA FOUNDATION is ever first NGOs in the district of Magura. It has been working in the field of micro credit from the very beginnings of the organization to alleviate the poverty of the rural poor people i.e. 1987. Parallel to micro credit program the organization has implemented different programs as to gradual development of the rural poor people in its working area.

The organization is very much fortunate to get the active guidance and supports from the general body and executive committee members, active and positive support from the donors and support providers.

I would like to express my sincere gratitude to all the staffs of the organization with the help of whose these programs are achieved and the presentation of this report in due time.

I believe that our journey together will bring us even bigger success in the coming year.

Kazi Kamruzzaman.
